

CERTIFICATE IN GLOBAL HEALTH FOR ANTHROPOLOGY MAJORS AND ANTHROPOLOGY GRADUATE STUDENTS

The Certificate in Global Health was established as part of the Framework for Global Health Curricula, which is coordinated by the Center for Global Health and Diseases in the School of Medicine. The Certificate is intended to prepare both undergraduate and graduate students for continued involvement and potentially a career in global health. The Anthropology Department strongly encourages students to seriously consider taking advantage of this opportunity.

Both majors and graduate students have the opportunity to earn a Certificate in Global Health while completing their degree requirements. The course requirements are:

Anthropology Majors:

- 1) INTH 301: Fundamental Concepts in Global Health
(see: <http://www.case.edu/med/cfgh/Coursesframework.html>)
- 2) ANTH 215: Introduction to Medical Anthropology
- 3) ANTH 359: Introduction to International Health
- 4) One 300-level health-related elective approved by your advisor (see attachedlist)

Anthropology Graduate Students:

- 1) INTH 401: Fundamental Concepts in Global Health
(see: <http://www.case.edu/med/cfgh/Coursesframework.html>)
- 2) ANTH 459: Introduction to International Health
- 3) ANTH 511: Seminar in Anthropology and Global Health
- 4) One 400- or 500- level health-related elective approved by your adviser

For more information about the Certificate in Anthropology and Global Health, contact:
Professor Vanessa Hildebrand (vanessa.hildebrand@case.edu)
