

Hello colleagues,

I wanted to give you an update on lodging here in Toledo for Ohio Inorganic Weekend. First of all, there are many hotels in the Toledo area, so I don't imagine getting a room in town will be very challenging for this conference.

We have reserved a block of rooms at the Clarion Hotel at a discount rate. This hotel is in a good location: not far from the interstate highway and not far from campus.

If you reserve rooms there, the discounted rate for Friday Nov. 7th should be \$59 + tax for either one large bed or two doubles. To get that rate, mention UT Chemistry or maybe Inorganic Weekend. The folks reserving the rooms there should be able to put that together. They will only be holding these rooms at this rate until October 16th (3 weeks before the conference).

Remember to send in your presentation submissions, with our deadline for submission being Saturday, October 18th. Thanks to those who have already submitted their information.

And finally, a reminder that Ohio Inorganic Weekend at The University of Toledo is Friday, Nov. 7th - Saturday, Nov. 8th.

Cheers,  
Joe
