Dear colleagues,

Since the Fall is fast approaching, it's the time to plan for this year's Ohio Inorganic Weekend. As a reminder, the meeting will be held on **October 28-29** at the **University of Cincinnati**. We will have a poster session on the Friday evening and student talks on the Saturday. To help us plan for the event, we would like to collect the following information from you:

- (1) How many of your group members (including yourself) will be coming?
- (2) For each research presentation, please send us the title, presenter's name, and the preference for a poster or oral presentation.

Please email the requested information to hairong.guan@uc.edu by **October 14, 2011**.

We look forward to seeing you here at Cincinnati!
