

If you use Google map, please type “2980 Woodside Place, Cincinnati, OH 45221”. This will lead you to the proximity of the garages. **Note: MapQuest will not find us in this case.**

Driving Directions:

Coming from North or South via I-75

Take the Hopple Street exit (Exit 3) and turn left at the light. You will pass over the highway. At the next light, go straight (straight here is actually about a 45 degree turn to the left). You are now on Martin Luther King (MLK) Drive. Continue up MLK Drive to the 4th traffic light. You will reach the first one quickly, the second one about 1/2 mile after that, the third (Clifton Ave.) after going up a long hill, and the 4th as you continue eastward with the campus on your right. Turn right at this 4th traffic light onto campus, and then right into the **Woodside Garage** OR left into the **Campus Green Garage**.

Coming from North via I-71

Get off at the Taft Road exit (Exit 3). After the light at the end of the off-ramp, continue straight (west) on Taft for about 1.3 miles. At this time, Hughes High School is directly in front of you, and you must turn. Turn right onto Clifton Avenue. The University is now on your right side. Continue on Clifton to Martin Luther King (MLK) Drive; turn right (eastbound) on MLK Drive and follow to the first light. Turn right onto campus, and then right into the **Woodside Garage** OR left into the **Campus Green Garage**.

After Parking Your Car:

Please follow the **red arrow** on the attached campus map to find the **Tangeman University Center** (TUC). The poster session on Friday night will be at the Great Hall, and the talks on Saturday will be in the Room 400-B. Both of them are on the 4th floor of TUC.
