**Location:** Case Field - Stadium at the Village at 115th

This is the inaugural year for "Kicks for a Cause." We have designated our home game versus Ohio Northern to raise money for a cause of the team's choice. This year the cause is the Alzheimer's Association - Cleveland Area Chapter.

Each team member will take pledges per shot taken in the game and collect money following. Flat donations will also be taken prior to the game and at the game. The marketing and success of the event is the team's responsibility. They are doing the majority of the legwork.

Every penny raised will go directly to the Alzheimer's Association - Cleveland Area Chapter.

Checks should be made payable to "Alzheimer's Association" to receive tax benefits.

If unable to attend the game, but still want to make a donation please send a check to:
