Registration Invoicing & QuikPAY™ Notification

YOU WILL NOT RECEIVE A PAPER BILL IN THE MAIL! Case has an electronic billing service entitled QuikPAY™. QuikPAY™ will notify all students via their CASE e-mail account that their bill is available to be viewed on line. Students no longer need to wait for a bill in the mail, just log into SIS (Student Information System), finance section, view online bill, click view account, student accounts, and current statement and simply view your statement. If you do not pay your bill by yourself, no problem just set up the responsible person as an authorized user of your account giving them their own log in ID and password. This is done through the new Student Information System (SIS). If you want your billing notifications sent to an alternative email and/or an authorized person, simply type in the various email addresses in SIS under "personal information", "authorized user" and the notifications will be sent to those email addresses as well. A student or authorized payer can pay via an e-check or with a Discover® card on-line. The Discover® card carries a 1.77% convenience fee. (See Cashier's section for further instructions) If you want to mail in your payment, great, just print out a copy of the PDF version of your bill, tear off the bottom portion and mail your payment to the printed address. Your Fall 2009 invoice will be available for viewing online the week of July 27, 2009, through QuikPAY™.

Your Fall 2009 invoice reflects information available as of July 25, 2009. Scholarships and grants awarded by the University as of July 25, 2009, are reflected on this invoice. This aid is **pending** and not guaranteed **until all necessary forms are on file in the Office of Financial Aid**. This invoice may not reflect all awarded financial aid. Any loans, which have been awarded, must be accepted and signed **before** they may be credited to your account. See "Student Loan Disbursement" section for further directions.

Fall 2009 charges* are listed in detail on the invoice and may be paid in two installments. One half of the Fall 2009 charges must be covered, either by payments or credits, by August 24, 2009. The remainder must be paid by October 9, 2009. If a source of financial aid is not available for disbursement by July 25, 2009 but is expected to be distributed during the semester, this amount may be deducted from the "amount due" as long as all the required forms are on file with the Office of Financial Aid. Fall charges not paid **by October 9, 2009**, will be considered delinquent and will be assessed a late payment charge of 1.5% per month. **It is the student's responsibility to make sure that their parents and/or legal guardians are set up in the billing system to receive the invoices.** Please email us at Bursar@case.edu if you need assistance setting up your authorized users.

Please make checks and money orders payable to Case Western Reserve University. To ensure proper credit, **write the student I.D. #** on the check and return it with the bottom portion of the invoice in the enclosed envelope.

*Please review these charges to verify their accuracy.

Student Loan Disbursement/Credit Balance Refunds

If you are expecting student loan funds through the Federal Loan Program and/or loans administered by the University (i.e., Perkins, HPSL), your funds will be automatically credited to your account once you have completed the financial aid application process, **submitted a promissory note to the Office of Financial Aid**, and the guarantor has approved the loan. Federal Stafford Loans include a 1.5% processing and origination fee deducted from the gross amount of the loan. **This 1.5% fee does not appear on the attached bill and should be taken into account when determining the total amount due to the university.** For example, if your bill amount states \$1,312, the actual amount applied will be less than this by 1.5%: \$1,312 - \$20 = \$1,292. **New students borrowing under a Federal Stafford Loan and/or University loan must attend an Entrance Interview.**

If you are expecting a student loan check, this check must be endorsed in the Bursar's Office, Yost Hall, Room 115, between **9:00 a.m. - 4:00 p.m.** You must have a valid picture I.D.

Refunds due to overpayment will be issued only after **all** charges are paid in full. **The refund process will not begin until the add/drop period has concluded (please plan accordingly).** Refunds will be mailed to the "current" address in the Registrar's system. **It is your obligation to make sure this address is correct.**

CASE Medical Plan

The CASE Medical Plan fee of \$660.00 is **automatically charged**, on a per semester basis, to students registered for one or more credit hours.

If you have health coverage comparable to the CASE Medical Plan, you are eligible to waive the Medical Plan fee. If you do not wish to be covered by the CASE Medical Plan, you must waive the fee each semester. Students may waive the fee in **SIS**, under academics, this weeks schedules, there will be a yellow **Waive button**. **The deadline to waive the Medical Plan fee is September 4, 2009.** Waivers will not be processed after that date. All students are eligible for care at University Health Service regardless of your CASE Medical Plan status or health plan coverage; but, if you have the CASE Medical Plan, University Health Service should be utilized as your primary health care facility. Medical Plan cards are available at University Health Service, (216) 368-3050.

Special Billing to Third Parties

A written authorization is required for special billing arrangements. If a third party is to pay all or part of your tuition and fees, the Bursar's Office will bill your sponsor directly. A copy of your sponsor agreement must be forwarded to the Bursar's Office **before** Registration. The deadline to submit your sponsorship agreements is September 4, 2009.

Upon presentation of an official employer letter, students who receive tuition reimbursement may register for Fall 2009. **The student is responsible, however, for all late fees that accrue on the account until payment is received.**

Withdrawal and Refund

Once you have selected courses, you may drop and add courses until September 5, 2008. After September 5th, you may withdraw from a course with proper approval, but tuition for the course will not be refunded. If you completely withdraw from the University and have executed the required withdrawal forms, you will be refunded at the following rates. *

August 24 – September 4	100%
September 7 – September 11	75%
September 14 – September 18	50%
September 21 – September 25	25%
After September 25	0%

*Financial aid may be adjusted upon complete withdrawal.

Pending changes in federal refund regulations may necessitate a change to this schedule.

Checking Accounts may be opened at a local bank to handle your financial needs. When opening an account, we suggest that you deposit cash, traveler's checks, or a money order. Most banks will clear checks drawn on a local bank in three business days, and non-local checks will generally take seven business days to clear.
