Subject: Accreditation Site Visit

To: All Case Students, Faculty, and Staff

From: John L. Anderson, Provost and University Vice President  
Subject: Accreditation Site Visit

On April 11-13, Case will host an eleven-member site-visit team representing the Higher Learning Commission (HLC) of the North Central Association of Colleges and Schools. This site visit is part of the HLC process for evaluating Case for continuing institutional accreditation.

During this campus visit, the site-visit team will host open meetings for Case students, staff, and faculty. At these open meetings, the HLC representatives invite you to share any aspect of your experiences at Case with them. The open meetings will be held on Monday, April 11, from 4:00-5:00 p.m. at the following locations:

- Open meeting for students - Thwing 1914
- Open meeting for staff - Nord 310A
- Open meeting for faculty - Nord 310B

I encourage you to take advantage of this opportunity to meet with the accreditation site-visit team.

For additional information on the accreditation process, please see the accreditation website:
