

# Merit Scholarships Available for Current Case Students

Case Western Reserve University will award a limited number of scholarships for 2006-2007 and subsequent years to students who are currently enrolled at Case and who have compiled a record of achievement, participation and leadership that distinguishes them from their peers.

The following scholarships will be available for the 2006-2007 academic year:

**One Trustees Scholarship  
Two President's Scholarships  
Four Provost's Scholarships**

To be considered, students must complete an application and submit a recommendation from a faculty member. Recipients will be selected in June by the University Undergraduate Faculty Committee on Academic Standing.

## Eligibility requirements for consideration:

- 1) Applicants must be US citizens or Permanent Residents (Green Card)
- 2) Applicants must be first, second or third year students in 2005-2006 who have *not* previously received a Trustees, President's, Provost's or similar scholarship
- 3) Students who entered as first year students in fall 2005 must have earned a cumulative grade point average of at least 3.75 and at least 30 credit hours at Case in the academic year 2005-2006. *Advanced Placement, IB and transfer credit hours will not be considered.*
- 4) Students who entered Case in fall 2004 or in fall 2003 must have earned by May 2006 a cumulative grade point average of at least 3.75 and averaged at least 15 credit hours for each semester of enrollment at Case.

The scholarships will be renewable through the fourth year of undergraduate study or until completion of the undergraduate degree, whichever occurs first. For each recipient, the annual amount of the scholarship will equal the annual amount given for the particular scholarship (Trustees, President's, Provost's) in the recipient's matriculation year. After receiving the scholarship, a student must maintain full-time undergraduate status, earn at least 30 credit hours in each academic year, and maintain a cumulative grade point average of at least 3.00 in order to retain the scholarship.
